**...WITH DR. HELEN CALDICOTT**

*Physician, Author, Educator, Activist*

As the subject of the 1982 National Film Board of Canada's Oscar winning documentary "If You Love This Planet", Dr. Helen Caldicott inspired a generation to work toward nuclear disarmament.

Dr. Caldicott continues her mission with her most recent books "Nuclear Power is Not the Answer" and "War in Heaven"

As the world struggles with the nuclear question, Dr. Caldicott will address the greatest, immediate threat to the planet with passion, vision and clarity.
